

« Ah! mon ami, je m'en vais  
enfin de ce monde, où il faut  
que le cœur se brise  
ou se brûle. »

Chamfort

Dans un monde  
difficile...

... où il faut  
être performant...,

... on intellectuellement,  
ou physiquement, et plus,  
souvent : maître au bon endroit...

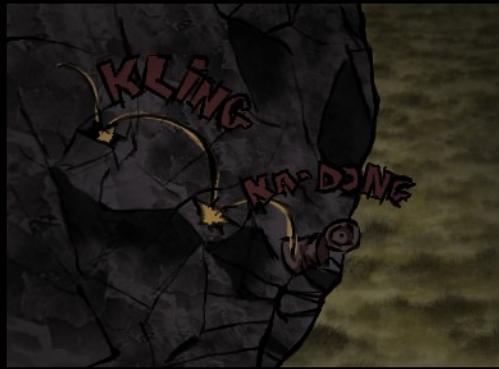

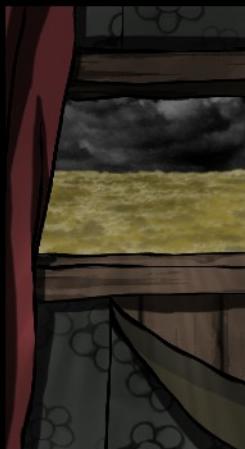

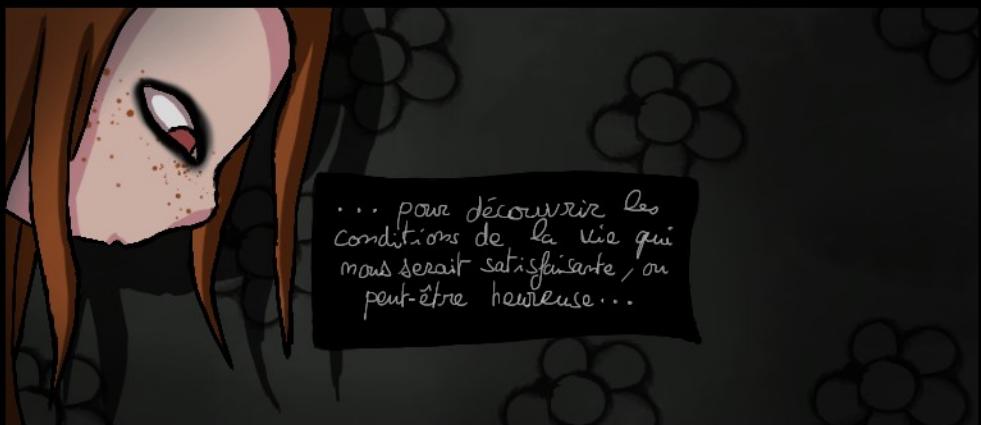

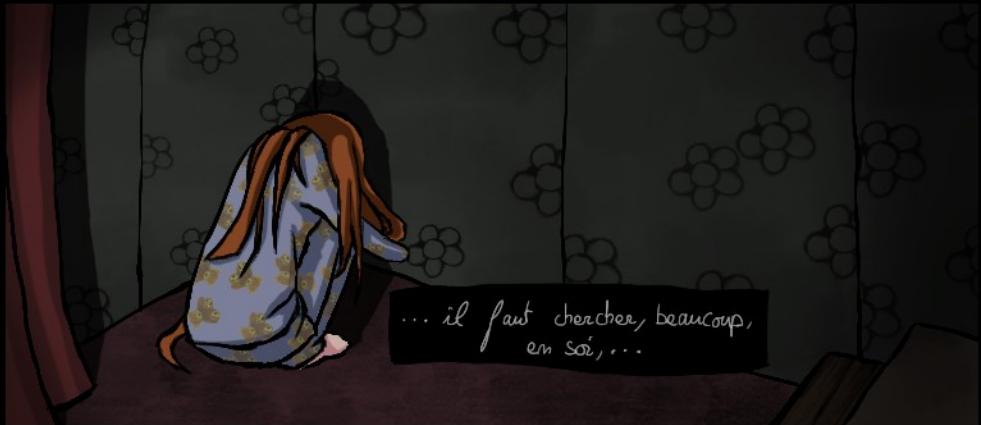

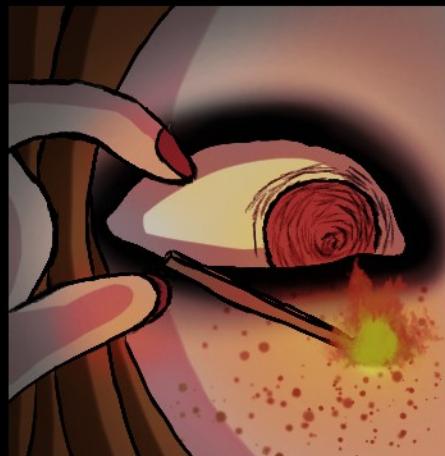

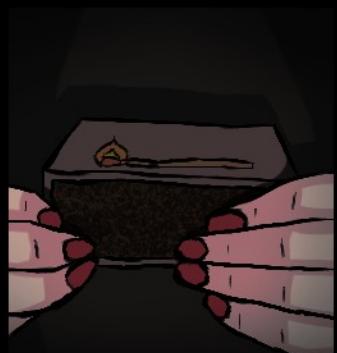

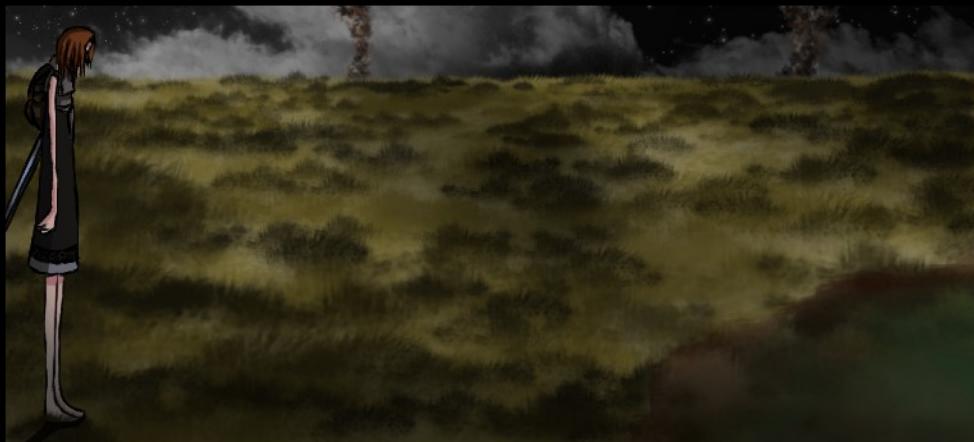

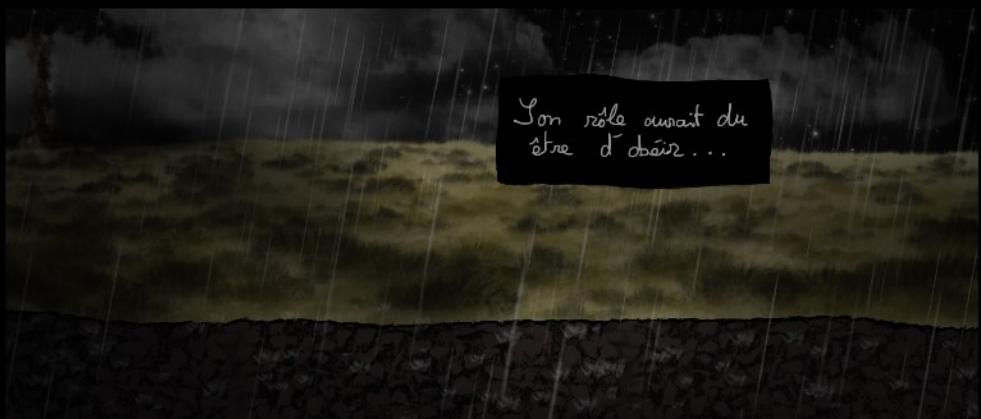

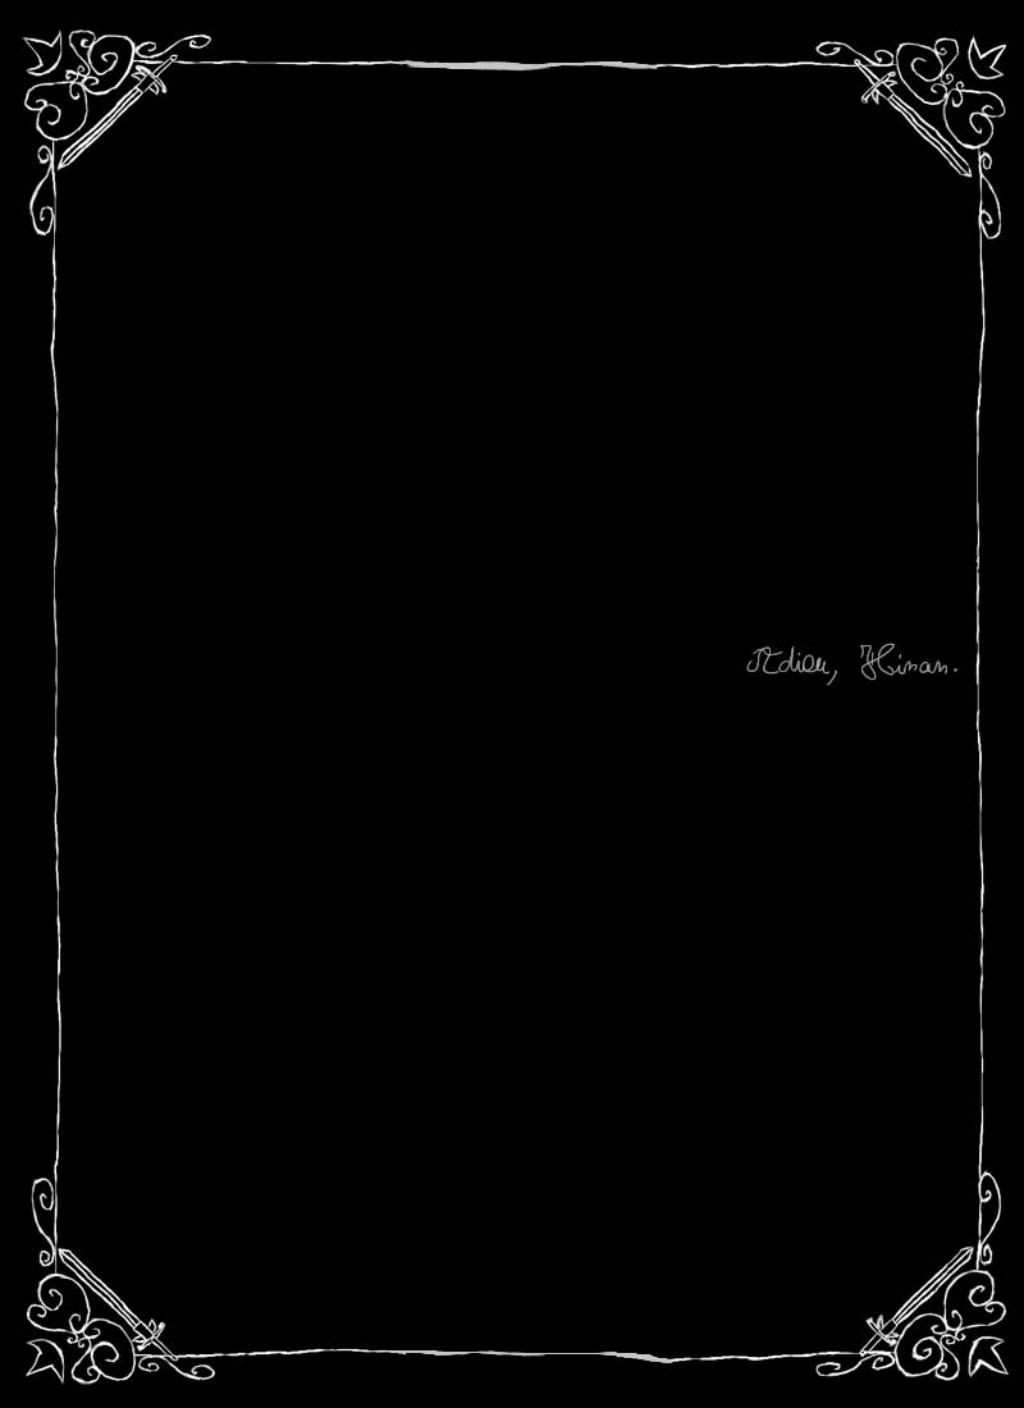

Les violents choisissent  
les constitutants du  
monde nouveau
